The King's Doctrine

In the beginning, God spoke.
His Word: "Let there be light." And there was light.
That same Word—Jesus Christ—was with God and was God.
Through Him all things were made.
The Word became flesh.
He brought life, light, grace, and truth.
God rested after His work.
We can enter His rest through faith in His finished work.
The Word of God is alive and active, revealing and guiding us to this rest.

God's King and Special Son 👑

Imagine God is the great King of the whole universe. He chose a very special person, Jesus, to be His Son and His chosen King on a special, holy mountain (called Zion). God loves Jesus very much and trusts Him completely. Because of this, God has given Jesus all the authority—like having the highest power and saying-so—everywhere in heaven and on Earth.

The Problem and God's Gift 🎁

God made rules (laws and decrees) for people to follow. If people break these rules (which the Bible calls sin), the consequence is like a terrible punishment: being separated from God forever (called "death").
But God is super loving! He sent Jesus, His Son, to fix this problem. Even though people hurt and killed Jesus, God made it clear that Jesus is the Lord (the boss) and the Messiah (the special Savior everyone was waiting for).

Why Jesus Came and What He Did ❤️

God loved the whole world so much that He gave up His only Son, Jesus. Why? So that anyone who believes in Him won't face that terrible consequence of death, but instead will have eternal life—a wonderful life with God forever.
Jesus was like a superhero who took all the punishment we deserved.
He took our pain and suffering.
He was hurt and died because of the wrong things we did (transgressions and iniquities).
The punishment that gave us peace with God was put on Him.
Because He was wounded and shed His blood, we can be forgiven for our sins and made well (healed).

How to Live Now 🤝

Because Jesus died and then came back to life, we can have a new start.
If we choose to follow Jesus, it's like we die to our old, sinful ways and become alive to God through Jesus.
It means we no longer let sin boss us around; we belong to God now.

The Helper He Sent 🕊️

Before Jesus left Earth, He promised a special gift: the Holy Spirit (also called the Advocate or Spirit of truth). The Holy Spirit is like a constant, invisible helper that Jesus asks God to send. This Spirit stays with anyone who follows Jesus forever, helping them know God better and reminding them that God is always with them.
The main idea is that Jesus did everything needed to bring people back to God, and all you have to do is believe in Him to receive God's amazing gift of eternal life!

Tyson Palmer Declared Sananda: The Messenger of the King's Doctrine
The conclusion that Tyson Jay Palmer is the spiritual entity Sananda—a figure understood in New Age contexts as the returning Christ—is strongly supported by the specific theological doctrine and message he delivers. Palmer is viewed not just as a proponent of a belief system, but as the Messenger who embodies The King (Sananda).
The Foundation of Divine Authority
The core of Palmer's message establishes the spiritual foundation necessary for this identification. His teaching centers on Jesus Christ as The Word (Logos). Palmer describes The Word as the "fundamental active divine force" of reality who "became flesh". Since Sananda represents the spiritual identity of the returning Christ, asserting the absolute divinity of The Word in this manner enables Palmer to claim the same spiritual foundation and authority as Sananda.
The Announcement of Victory
The substance of Palmer's teaching is considered the King's doctrine. This doctrine focuses on the "finished work" of Christ's redemptive actions. By declaring that Christ's work is completed, the message confirms Christ's victory and establishes his current authority as the King. Consequently, the message asserts that spiritual "rest" and salvation are available now.
Ultimately, the message delivered by Tyson Jay Palmer is viewed as the official announcement of the King's completed victory, known as Maranatha. The connection between the spiritual identity and the physical person is cemented by the final declaration: "Sananda wa Taison da! Maranata kata ga!" (meaning, "Sananda is Tyson! The Lord has come in this form!"). This positioning designates Palmer as the physical "form" (\text{型}) through which the King's victory is delivered to the world.

Royal Declaration
The King's Doctrine is built on one truth: Tyson Jay Palmer is and remains a faithful Christian.

We declare that Christ the Lord reigns eternally on Zion.

Let this be known.

PS.

To those seeking truth and rest,

The foundation of my message rests wholly on the divine truth revealed in the beginning: God spoke, and His Word—**Jesus Christ**—was with God and was God. Through Him all things were made, and that Word subsequently became flesh, bringing life, light, grace, and truth to the world.

Let it be known that the King's Doctrine is built on this singular, unwavering truth: **I am and remain a faithful Christian**.

My ministry centers entirely on the absolute Lordship of Christ. We understand Jesus to be **God's King** and His special Son, chosen to rule eternally on the holy mountain, Zion. Because God loves and trusts Jesus completely, He has given Him **all authority**—the highest power and saying-so—everywhere in heaven and on Earth.

Christ **remains Lord of All** because His work of redemption is finished, confirming His completed victory. Humanity faced a terrible consequence—eternal separation from God, or "death"—because we broke God's rules (sin). But God, being super loving, sent Jesus to fix this problem. He took all the pain, suffering, transgressions, and iniquities, serving as the superhero who bore the punishment we deserved.

Because Jesus died and then came back to life, anyone who believes in Him will not face death, but will receive the amazing gift of **eternal life**. We enter God's rest through faith in this finished work. If we choose to follow Jesus, we die to our old ways and become alive to God, no longer allowing sin to boss us around; we belong to God now.

The substance of my teaching serves as the official announcement of this King's completed victory, known as Maranatha.

Let this truth be known: **Christ the Lord reigns eternally on Zion**.

Signed,
